PROFILE

I am a dedicated UI/UX Designer and BCA graduate who loves creating simple, clean, and user-friendly designs. I enjoy solving problems through design and building websites that are easy for everyone to use. With a strong foundation in modern web tools and a focus on detail, I aim to help companies build better digital products for their users.

WORK EXPERIENCE

- Intern | ICFAI University Tripura (30 Days)** 2022
Educational Web Page Development
 - Designed an educational web interface for the student registration process.
 - Optimized data management flows, improving user registration efficiency.
- Intern | LI-MAT Soft Solution (45 Days)** 2023
Python-based GUI Project
 - Developed a Python-based GUI project, focusing on intuitive graphical interfaces.
 - Iterated on design feedback to enhance software interaction and usability.
- UI/UX Designer | Lucifer AI (Personal Project)** 2026
AI Voice Assistant
 - Designed a cross-platform AI assistant with a transparent, floating circular interface.
 - Created complex animations and futuristic UI components to improve user engagement.

CALL TO ACTION

I am eager to discuss how my design skills can contribute to your team. Please feel free to reach out via email or phone.
